

**WALDEN INTERNATIONAL ANNOUNCES
INITIAL PUBLIC OFFERING OF
GoPro, Inc.**

San Francisco, CA (June 27, 2014) – We are pleased to announce the initial public offering of GoPro, Inc. ("GoPro"), one of Walden International's portfolio companies that it co-invested with Riverwood Capital. A total of 17.8 million shares of Class A Common Stock were offered, of which 8.9 million shares of Class A Common Stock were offered by the Company and the remaining 8.9 million shares of Class A Common Stock were offered by selling stockholders. Priced at the high end of its range at US\$24.00 per share, the Company raised US\$213.6 million, which does not include the US\$213.6 million proceeds paid to selling stockholders. J.P. Morgan, Citigroup and Barclays were the lead joint book-running managers for the offering.

Shares began trading on June 26, 2014 under the symbol "GPRO" on NASDAQ. The shares closed at US\$31.34, a 30.6% increase from the issue price after trading as high as US\$33.00 during the first trading day. The market cap of the Company at the end of its first trading day was US\$3.9 billion based on its closing price.

GoPro, Inc. develops hardware and software solutions to alleviate consumer pain points associated with capturing, managing, sharing and enjoying engaging content. The Company's mountable and wearable cameras and accessories, which the Company refer to as capture devices, enable professional-quality capture and exceptional versatility. In addition, the Company's remote control solutions and its seamless integration with mobile devices through the GoPro App, its mobile application, enable engaging self-capture during virtually any activity. The Company seeks to eliminate the pain point of managing content by making it easy for its customers to transfer footage from their cameras to a system that efficiently organizes their content and facilitates convenient editing and sharing. GoPro Studio, its desktop application, and the GoPro App, reflect the early stages of its content management platform strategy.

"I am pleased to have had an opportunity to invest in this exciting company, and am delighted to assist Nic and his team as they work tirelessly to fulfil the visions for GoPro," commented Lip-Bu Tan, Chairman of Walden International.
